

Asaf Marom

Self-motivated, organized, and team-work oriented seeking a suitable position with a leading company to use my analytical and programming expertise for developing quality software products fitting to clients' requirements. I have a strong work ethic, good communication skills, am open minded, fun and anxious to learn, succeed and to contribute in any way I can.

EDUCATION

2020 | Elevation Academy, Full Stack Web Developer - [Course Page](#)

An industry-based intensive 3-month coding Bootcamp which covered the entire MERN stack and beyond. Built a number of end-to-end projects from scratch while adhering to solid OOP principles and communicating with a number of external APIs.

2016 -2019 | B.A. Marketing, Sapir Collage, Sderot, Israel :

My work, studies and projects have included courses in Market Research, company analysis with advanced methods and models, marketing communications, customer behaviors, marketing strategy and system analysis, brand management, project management, SQL, SEO, social network campaigns, calculus, Microsoft office and more.

EXPERIENCE

2021-2021 | Dice Marketing, Full-Stack Web Developer:

From April I have been working as a Full-Stack web developer, on various projects. From simple landing pages to complex web applications in php- WordPress, Java Script and React , Nextjs and Redux.

2018 -2020| Vered Tours, Operations manager:

tour agency, Responsible for any travel coordination arrangements needed (Documentation, Flights, accommodations, insurance and more.)

2017 -2018 | Rentigo, Sales account manager and Customer Success:

Responsible over B2B & B2C sales, developing customer relationships that promote retention and loyalty. Working close with marketing and IT to improve company progress and success.

2012 -2015 | Deep Sea Cosmetics, Regional Sales Manager:

Employee trainer, I managed 3 stores in Arkansas, USA and trained sales employees

MILITARY SERVICE

2007 -2012 | Released Platoon First Sargent, Combat Engineering Core, 605
